THIRD-PARTY PLAYER & MICRO MARKETS

Get ready for a game-changer. Our new Live Player and Micro Markets are here, and they're set to revolutionize the betting experience. Developed with Huddle, nVenue, and Digital Sports Tech, these markets bring lightning-fast action and personal stakes to all major US sports and soccer.

Micro Markets settle in under 5 minutes, keeping fans on the edge of their seats. **Player Markets** let customers bet on their heroes' performances. And the best part? It's all available on our Unified Odds Feed, with no extra work for you.
